

SupraLite

Like all eight-pound SupraLite vacuums, the new flagship RSL5 starts with the unprecedented cleaning performance and astonishing ease of use, the hallmarks of this remarkable series. But what makes the RSL5 truly unique is the durability of a steel brushroll, the ability to customize the brush strips to your home's flooring and a Hall™ sensor to ensure you'll never have the hassle of changing the belt. All considered, with the top-tier SupraLite, vacuuming has never been so easy and worry-free.
