service plan

At Riccar, "The First Name in Vacuums That Last" is more than a slogan, it's our mission. We build our vacuums to perform exceptionally not only on the day they are purchased, but for years to come. That's why we stand behind the Vibrance with a 4 year comprehensive warranty and offer our Red Carpet Service Plan free of charge.

With the Red Carpet Service Plan, you can bring your Vibrance back to your Riccar Retailer for a tune-up around the first and third years of the 4 year warranty period to ensure your Vibrance is running at optimal performance. At each tune-up, the Riccar retailer will:

- Replace the vacuum bag
- Replace the filters
- Give your Vibrance a comprehensive cleaning

Your Riccar retailer will also inspect the agitator brush strips, hose, full bag indicator, floor selector switch, belt and the vacuum's suction and airflow. For these items normal warranty procedures apply in that, items will be replaced at no cost to you if any item is found to be defective. Charges may apply to replace items not covered by the warranty or failures that result from abuse to the vacuum.

**RICCAR**  
The First Name in Vacuums That Last™

Service must be performed within thirty days preceding or following the date and hour necessary of the date on which the vacuum is used. The Red Carpet Service Plan is non-transferable and applies only to household use, vacuum used commercially is not included.
